Other Program Requirements[^]

All graduate students must be registered for at least one course from the time of formal admissions through completion of all requirements for the degree they are seeking, unless granted an official leave of absence. Students not on campus and not using University facilities are not expected to register for summer term.

Students are expected to complete their master's program within **four years** from the time they matriculate. Previous graduate work may be applied to the requirements of the program if (a) approved by the student's advisor, and (b) consistent with accreditation standards.

*Semesters, dates, and times of courses offered are subject to change.

[^] Consult the Online ABA Program Student Handbook for more information related to these and other program requirements.
