<b>Total Required Credits</b>		<b>39</b>		

<sup>1</sup>Students are eligible to enroll in Practicum PBHLT 6960 after they have completed four of the following PBHLT 6100, 6300, 6400, 6500, 6550, 6600, & 6700. One must be 6550 and one must be 6100 OR 6300.

<sup>2</sup>MED 7000 is in the process of becoming a PBHLT 3-credit course

<sup>3</sup>Students are eligible to enroll in PBHLT 6900 Capstone only after they have completed six of the seven other core courses (PBHLT 6100, 6300, 6400, 6500, 6550, 6600 and 6700). Only one core course can be taken concurrently with PBHLT 6900 Capstone. 6550 MUST be taken before capstone.

**Elective Options:** Approved classes listed on reverse.

Course #	Course Title	Credit Hours	Approved	Semester Planned/Taken	Grade
<b>Total Elective Credit Hours</b>		<b>6</b>			

**Health Equity Electives:** Please be aware that approved courses are subject to change. Check course catalog for most up-to-date. All below courses are 3 credits

- PBHLT 6620 – Population Wellness (Spring)
- PBHLT 6958 – Reproductive and Perinatal Epidemiology (Spring)
- PBHLT 6631 – Issues in Reproductive Health (Summer)
- PBHLT 6625 – Medical Basics for Public Health Professionals (Summer)
- PBHLT 6320 – Qualitative and Mixed Methods in Public Health (Spring )

**Faculty Advising:** It is recommended that you meet with them for 15-20 minutes/semester. They are available for approval of electives, career advising, practicum advising, etc. Please view their office hours for availability.

**Comprehensive Exam:** After completing PBHLT 6100, 6300, 6400, 6500, 6600, 6700, and 6550, students must pass the Certified in Public Health (CPH) exam. The exam is offered year-round but students must be registered for a minimum of three credit hours during the semester the exam is taken. Contact your Academic Advisor to obtain a voucher code for payment.
